

PRODUCT CATALOGUE FOR PROFESSIONALS

Altınmarka, state-of-the-art production facilities, integrated quality guaranteed systems and sophisticated R&D capabilities have made Altınmarka a preferred solutions provider to the world's leading cocoa and chocolate brands in the food, pastry, ice cream, dairy, cake & biscuits and chocolate confectionary industries.

The company's production plants are located on the outskirts of Istanbul, Turkey, and include a cocoa processing facility (est. 1994) with an annual capacity of 100,000 tonnes/year and an industrial chocolate production facility (est. 2005) with an annual capacity of 140,000 tonnes/year. Altınmarka is the world's second largest industrial chocolate producer and 6th largest cocoa products producer.

Altınmarka's broad ranging quality guarantee system, which includes all relevant BRC, ISO 9001, ISO 22000 quality and food safety management systems, ISO 14001 environmental management system, OHSAS 18001 occupational health and safety management systems certifications, begins with the import of 'first crop', premium quality cocoa beans and continues throughout the entire chain of production, packaging, storage and logistics processes. This seamlessly integrated quality control system as well as strict global food safety and hygiene standards ensure top quality throughout all products.

Altınmarka offers its clients not only high-tech, high-capacity production capabilities, but also the wide-ranging experience and expertise of its team to support clients with fast, flexible and reliable production solutions. These include R&D services, recipe optimization, pilot production and customized product development - services that have made Altınmarka a trusted supplier and outsourcing partner to the world's leading global brands, and led to exports to over 50 countries worldwide.

Altınmarka was honoured in 2012 with the "**Europe's Best Cocoa and Chocolate Factory of the Year**" award, presented by the European Candy Kettle Club, Europe's most prestigious chocolate and candy industry association.

All the products contained in this catalogue are our standard type products. According to customers demand new products with desired taste, size and appearance can be developed.
